# GEORGE MANZ COINS

**W**e are proud to offer Part I of the Georg Manz Senior Collection. My father started collecting Canadian coins soon after we immigrated to Canada in 1953, the same year as the founding of the Regina Coin Club.

My father, Georg Manz Senior, who spelled his German first name without an "e" on the end, soon joined the Regina Coin Club, receiving membership #70.

My father was responsible for me collecting coins. Back in the late 1950s, my father gave me some of his duplicate Canadian small cents and nickels, along with the old Whitman folders to house them. I was hooked.

Since my father was particularly interested in collecting coin varieties, it soon became my task to look at every coin that came in our house, searching for die cracks or die chips - anything that was out of the ordinary.

We are also pleased to provide you with pedigreed lots from other famous collections, including Part III of the Roy Miller Collection, as well as items from the Jack Shinske Paper Money Collection and the Bud Collins Collection of Irish Coins.

**Enjoy.**

*My father and I in 1958.*
