GEORGE MANZ COINS

Welcome to our latest auction taking place at the Regina Coin Club's 2008 Fall Show. The auction includes Part II of the Georg Manz Senior Collection as well as Part IV of the Roy Miller Collection.

We offer a wide array of lots, from ancient Roman and Chinese coins to more modern world coins.

Among the Canadian copper rarities being offered is a 1907 cent, graded MS-65 Red by ICCS, as well as a 1939 cent graded MS-66 Red. These are among the finest known examples, with none graded higher by ICCS.

Silver rarities include a premium quality 1900 Oval 0 5 cents graded MS-65 by ICCS, a 1935 silver dollar counterstamped by Nelson, BC jeweler Joseph Oliva Patenaude, and a 1966 Small Beads mule dollar.

Another highlight of the Canadian section is a number of mint state coins with outstanding toning and eye appeal, while others have the rare Ultra Heavy Cameo designation.

Collectors of Saskatchewan trade tokens are in for a treat. We offer a previously unknown City Bakery aluminum token from Tugaske that's good for one loaf of bread.

Historical and commemorative medals are once again one of the strengths of this auction. Included is a 1911 medal from the Dominion Exposition held in Regina, a 1911 Coronation medal with a Saskatchewan Sanitarium clasp and ribbon, several 1936 Edward VIII pattern crowns, a Karl Goetz Lusitania medal, and several rifle association medals.

Paper money rarities include a 1986 \$5 with Crow-Bouey signatures and the rare EOH prefix and a Blue Back Position Number.

A nice collection of numismatic books and catalogues round out the auction.

We hope you will enjoy this catalogue as much as we enjoyed producing it.

Good luck with your bidding.
