# GEORGE MANZ COINS

**W**elcome to our latest auction, taking place at the Regina Coin Club's 2009 Spring Show. The auction includes part III of the Georg Manz Senior Collection (the father of the auctioneer) as well as Part V of the Roy Miller Collection.

We offer a wide array of lots, from ancient Roman and medieval coins to more modern world coins.

While the American section is slim, it does contain a rare 1942 2/1 overdate dime.

Only infrequently do coins that circulated in Canada before Confederation come up at auction, but we include a 1790 1 real of Charles IV of Spain.

Canadian decimal coins are once again the strength of this auction. There are many George V and VI small cents at auction, most of them in ICCS MS-63 or MS-64 Red holders.

The highlight of the silver 5 cents is a beautiful 1890H with Error I's in the obverse legend.

The 25 cents section begins with an extremely rare 1872H A/V, one of only nine coins so certified by ICCS.

By far the most interesting section of Canadian decimal coins is the silver dollar section, beginning with a rare 1935 raised J.O.P. countermarked by Nelson, BC jeweler Joseph Oliva Patenaude, a rare 1948, a 1966 Small Beads mule graded PL-63 by PCGS, and an extremely rare Double Struck 1967 with two images of Elizabeth and goose.

This diverse auction also includes Royal Canadian Mint products, Newfoundland coins, counterstamped coins, error coins, medals, trade dollars and tokens.

Military medals include one from the Grand Army of the Republic.

Paper money includes a large assortment of radar notes, inserts, and replacement notes, as well as a Canadian \$5 War Savings Certificate from World War II.

A nice collection of numismatic books, catalogues and magazines rounds out the auction.

We hope you will enjoy this catalogue as much as we enjoyed producing it.

Good luck with your bidding.

**There is no buyer's fee in this auction.**
